

### Certificate of Analysis

|                      |           |                             |         |
|----------------------|-----------|-----------------------------|---------|
| <b>Product Name:</b> | Blueberry | <b>Date of Manufacture:</b> | 7/24/25 |
|                      |           | <b>Batch:</b>               | 0122    |

#### Physical and Chemical Properties

|             |                           |
|-------------|---------------------------|
| Appearance: | Colorless to Light Yellow |
|-------------|---------------------------|

|       |                |
|-------|----------------|
| Odor: | Ripe Blueberry |
|-------|----------------|

|          |       |
|----------|-------|
| Density: | 0.860 |
|----------|-------|

|                    |                           |
|--------------------|---------------------------|
| Residual Solvents: | Passes - Within CA Limits |
|--------------------|---------------------------|

|             |                           |
|-------------|---------------------------|
| Pesticides: | Passes - Within CA Limits |
|-------------|---------------------------|

|               |                           |
|---------------|---------------------------|
| Heavy Metals: | Passes - Within CA Limits |
|---------------|---------------------------|

|             |     |
|-------------|-----|
| Solubility: | Oil |
|-------------|-----|

|         |                        |
|---------|------------------------|
| Source: | Natural and Artificial |
|---------|------------------------|

|             |                                                                         |
|-------------|-------------------------------------------------------------------------|
| Shelf Life: | 3 years from the date of production,<br>stored away from heat and light |
|-------------|-------------------------------------------------------------------------|
