

Certificate of Analysis

Product Name:	Galactic Gas	Date of Manufacture:	6/21/24
		Batch:	8860

Physical and Chemical Properties

Appearance:	Colorless to Light Yellow
-------------	---------------------------

Odor:	Fuel, Chem
-------	------------

Density:	0.8707
----------	--------

Residual Solvents:	Passes - Within CA Limits
--------------------	---------------------------

Pesticides:	Passes - Within CA Limits
-------------	---------------------------

Heavy Metals:	Passes - Within CA Limits
---------------	---------------------------

Solubility:	Oil
-------------	-----

Source:	All Natural
---------	-------------

Shelf Life:	2 years from the date of production, stored away from heat and light
-------------	---

The information provided is without warranty, expressed or implied. All precautions for use are the responsibility of the customer. This Certificate of Analysis contains results provided by a third party laboratory. This does not relieve the purchaser from doing their own tests in order to comply with all legal requirements in their respective state.
